

The Pall Mall Surgery is part of the West Locality Group in Leigh on Sea, Essex.

The West Locality Group is a collection of 6 like-minded practices that provide primary care services to the population known as the West Locality within Southend-on Sea CCG.

The group members are;

Highlands Surgery

Dr Krishnan

Dr Sathanandan

Eastwood Group Practice

Pall Mall Surgery

The Leigh surgery

Each practice maintains its own identity and legal entity, but has chosen to work in collaboration with other local practices in the aim to develop a range of sustainable and quality services. In the future new services may be delivered by your practice or from one or more of the above locations.

If you would like to know more about the collaboration please contact Julie Styles via email:
